

You create business,
we deliver solutions

Corporate and Business

Our team is able to simplify complex transactions and address implications, providing high end legal services. We can effectively support with the setup, day-to-day operations and all regulatory requirements of your business. Our experienced lawyers deliver combined legal services with regards to M&As, Restructurings, Contracts and Litigation.

Data protection and Privacy

We are leaders in legal consulting in Privacy and Data Protection issues. In cooperation KPMG, we are in position to provide top class solutions in designing and implementing General Data Protection Regulation (GDPR) compliance programs. Representation in all pre-litigation procedures before the competent Authorities, as well as all litigation procedures before Courts are also areas of our extensive expertise.

Finance and Capital Markets

Our team has the business acumen and astute knowledge of the finance sector to bring a commercial approach and deliver integrated legal services required to develop tailor made cross functional solutions across every aspect of Secured and Unsecured Financings, Structure Finance, Banking, Payments' and Capital markets. This comes with the integration today of the next generation innovative tools, such as blockchain platforms.

Real Estate

We provide legal consulting for the Acquisition, Financing, Management, Selling off or Expropriation of Real Estate as well as the commercial and short-term leasing to individuals and entities operating in the domestic and international market. Dispute Resolution, Acquisition Planning and Management, REICs and Golden Visas are select fields expertise.

INTEGRATED LEGAL SERVICES

Being part of the KPMG network of entities means that, together with KPMG Tax and Advisory, we have the capability to offer cross functional legal, tax and advisory services to our Clients. This type of team work allows us to successfully integrate law into broader business advice and to cover multiple industries. As a result, our interdisciplinary approach and our combined resources create value to the Clients and deliver efficiency gains through the "one stop shop" solutions we provide.

Labor and Social Security

We approach labor law and social security with sensitivity, offering our clients legal support, ranging from preparation of employment contracts to representation before Administrative Authorities and Administrative Courts.

Competition and State Aids

Wide expertise in the field of national and EU competition law and State Aids, providing assistance in cases involving Cartels, Vertical Restraints and Abuse of Dominance. We also support our clients for Merger Control and file Merger Notifications with the Hellenic Competition Commission and we cooperate with KPMG's expert economists, to provide comprehensive solutions within a genuinely interdisciplinary area of law.

Public Sector

Our extensive experience enables us to provide legal assistance dealing with complex public sector issues. Dispute resolution services as well as integrated solutions regarding Strategic Investments, Restructuring and Privatization of public enterprises constitute areas where we bring added value solutions to the table.

Taxation

Our services include legal consulting in all areas of tax law, legal assistance dealing with tax controversy issues before Tax Authorities and representation before Courts. Integrated solutions in specialized tax issues and implications such as AEIO, BEPS, and MAP in cooperation with KPMG is also part of our distinguished areas of expertise.
